

Call for artistic performances

2nd ERUA Summit – November 8th, 2022

Description

The second ERUA summit will take place at Paris 8 University on November 08-September 2022.

This year's summit theme is :

Innovation and reform in the spirit of ERUA

This summit is the occasion to gather the entire ERUA community, which currently includes 5 European universities (Paris 8 University, the New Bulgarian University, Roskilde University, the University of Konstanz and the University of the Aegean) and their associates, as well as other alliances and relevant actors of the European Higher Education and Research Area.

ERUA wants to be a reforming educational European University promoting the critical function of universities through reflection and offering an alternative to current educational models. Together we aim to shape a more just, open and inclusive society!

Call for artistic contributions

As part of this conference, ERUA wishes to punctuate the program with artistic sequences provided by members of its community.

This is therefore **an open call to faculty members, administrative staff and students of ERUA's 5 partner universities and their associates.**

The student community is strongly encouraged to contribute to the programme and, of course, to take part in the activities of the whole summit.

Eligible applications

The proposed performances must be related to the theme of the summit and highlight the reformist and committed dimension of art, as a means of innovation for the society.

The format of the artistic performance is free and ERUA strongly encourages multidisciplinary and/or interdisciplinary and/or joint applications bringing together audiences from several of the partner universities.

We also welcome submissions from people who are not connected to an ERUA institution, but are interested in the summit's theme as well as alternative and innovated approaches to higher education.

As an example, performance can take the form of:

- **Exhibition:** collection, works, photography, artwork, etc.
- **Screening:** film, documentary, video, etc.
- **Themed walks** around a collection, an artwork, a laboratory, etc.
- **Artistic performance:** concert, play, improvisation, dance, tale, etc.

Financing:

If needed, the selected projects can benefit from a financial support, to insure their production.

The costs of communication, reception and security are fully taken in charge by ERUA.
