

# ERUA Teaching Weeks

Invite a colleague from one of the ERUA partner universities to your lecture

## Introduction

The "European Reform University Alliance" (ERUA), funded by the European Commission as part of the Erasmus+ European Universities Initiative, was launched on November 1st, 2020.

The project partners are the University of Paris 8 (France), which is the coordinator of the alliance, the University of Konstanz (Germany), the University of the Aegean (Greece), the University of Roskilde (Denmark) and the New Bulgarian University (Bulgaria).

As an alliance made of reform universities, our mission is to address the global challenges by bringing together students, academics and administrative staff from all areas of Europe and from all socio-economic backgrounds, to contribute towards reshaping a more just, open and inclusive society.

## What?

ERUA gives you an opportunity to establish collaboration in your particular field of interest with colleagues from our ERUA partner universities. The **Teaching Weeks** are meant as a first step to get to know the partners: You can set up initial contacts via a virtual or physical exchange within the framework of your seminar or lecture and thus draw out opportunities for further cooperation.

Last year three kinds of exchanges emerged from the initiative:

- One-way guest lecture

- Back and forth guest lectures
- Lecture series

## Who?

All members of the teaching staff can apply (Professors, Postdocs, PhDs).

## When?

The Teaching Weeks should take place between **October 31<sup>st</sup> and November 18<sup>th</sup>, 2022**

If these dates do not convene at all, please do not hesitate to contact us.

## Where?

If the Covid-19 restrictions allow travelling, a physical exchange is much encouraged. Virtual lectures are also an option.

## Funding

Physical travels are funded with **Erasmus+ Teaching Mobility**.

## Deadline

October 15<sup>th</sup>, 2022

## How to apply?

If you wish to participate, please send us the following details:

- Name of host and guest
- Title of lecture / seminar and theme of the session
- Date
